## BOOK SYNOPSIS

Spencer “Responsible” Davis is nowhere ready to “give up the V,” as opposed to her hormonally crazed crew of friends, obsessed with the who-what-when-where-how of it all. “It” being . . . well, you get it. Even Spencer’s male friends, who claim to have expertise in the matter, offer their services to help relieve her of that pesky letter, much to her embarrassment. But when new-kid Benjamin enters the picture, Spencer begins to rethink her “responsible” moniker, and for the first time she wonders if she’s found just the right guy worth trading in her V-card.
