BOOK SYNOPSIS

"Do you want to know when someone is lying to you? In this book, you will learn both body language and lie detection. In a ten minute conversation you are likely to be lied to two to three times. Learn how to spot those lies. If you have ever interacted with another person, this book will be useful to you because our everyday interactions are filled with secret nonverbal cues just waiting to be uncovered. Whether you are a business owner, parent, spouse, employee, human resources director, teacher or student, this book will change the way you interact with those around you"--Amazon.com.
