## **BOOK SYNOPSIS**

After years of pinching pennies and struggling to get through art school, Emma Makies hard work finally pays off with the offer of a dream job. But when tragedy strikes, she has no choice but to make a cross-country move to Colorado Springs to take temporary custody of her two nieces. She has no money, no job prospects, and no idea how to be a mother to two little girls, but she isnt about to let that stop her. Nor is she about to accept the help of Kevin Grantham, her handsome neighbor, who seems to think shes incapable of doing anything on her own. Prejudice Meets Pride is the story of a guy who thinks he has it all figured out and a girl who isnt afraid to show him that he doesnt. Its about learning what it means to trust, figuring out how to give and to take, and realizing that not everyone gets to pick the person they fall in love with. Sometimes, love picks them.
