BOOK SYNOPSIS

When the body of a fast-living young stockbroker is found in a shallow grave, suspicion first falls on a cuckolded policeman. Lt. Joe Gunther investigates the increasingly bizarre details of the crime, but finds that he's too far behind events to prevent a second murder. Indeed, whoever is responsible always seems to be a few steps ahead, as if there's a leak on the force. Sweltering August heat does nothing to calm the increasingly agitated town selectmen, who demand results. Fast-paced and intricately-plotted, with the unflinching attention to forensic detail that his readers have come to expect, *Scent of Evil* is the third of Archer Mayors' critically-acclaimed Joe Gunther mysteries.
